

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Structural welded and corrosion protected steel components and kits

Execution class: EXC 1 and EXC 2
Declaration method: 3a(ZA.3.4)
Responsible welding coordinator: Andre Parik
Design process: No

placed on the market under the name or trade mark of

Amitec Project OÜ
Pikk 23, 65604 Võru, ESTONIA

and produced in the manufacturing plant

Amitec Project OÜ
Riia 130a, 51014 Tartu, ESTONIA

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements

This certificate was first issued on **09.12.2016** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the notified factory production control certification body.

Tallinn 09.12.2016

German Vimb
Head of the conformity assessment department
